Membership Meetings: The 3rd Friday of each month from 9-10:30AM at the Santa Fe College CIED building downtown. The alliance has been operating since 2007 and includes over 100 organizations and individuals serving the children in our community.
‘Healthy Communities’
This group meets the first Friday of the month (except in summer) from 10AM-12PM at the Alachua County Health Department Auditorium. The attendees include a diverse group of public health types ranging from folks from community gardening and school lunch programs just to name a few. It is a great opportunity to see what a community coalition can be. They typically have 2 or 3 presentations lasting about 20 minutes each so that different agencies can let the group know what they are doing. Contact Kathryn Parker(kathrynparker331@aol.com)

Community Project Activities
